INTERVIEW SUMMARY

This is a summary of the April 24, 2002 telephone interview in which Examiner John Hoffman, Jeffrey Weinick, and I participated.

The purpose of the interview was to obtain agreement on an acceptable form for an IDS to be refiled with a request for continued examination. Examiner Hoffman had returned a version of the IDS, which was filed with the present application, without initialing 3 entries thereon.

Applicant's representative transmitted a proposed form for the IDS to the Examiner prior to the meeting. An attached sketch shows, in red, changes that Examiner Hoffman requested to the proposed form during the interview.

During the interview, Examiner Hoffman requested that entry AB be removed from the proposed IDS and that the entry in the Translation box for reference AA be changed to read "INCLUDED". The Examiner indicated that these changes would make the proposed IDS acceptable for consideration provided that reference AA, reference AC and a translation of reference AA were included with the refiled IDS.

Respectfully,

*John McCabe*
